

# Translation Services

Your game. Any language.

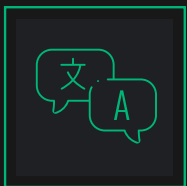

TRANSPERFECT  
GAMING SOLUTIONS

Successful games must provide their content internationally to reach the widest and largest cross section of gamers. At TransPerfect Gaming Solutions, we combine high-level language and cultural expertise with innovative technological solutions to ensure you reach your audience wherever they are.

## Our Services

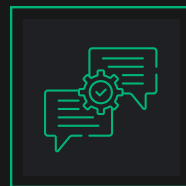

We offer localization for all platforms: in game, marketing, mobile, web, script, and more.

## Why Localization Services?

- We know how to localize your content to regions, not just languages
- We get the importance of worldwide sim ship and will meet your schedule, every time
- Games are designed for a worldwide audience—we'll localize the content for players' enjoyment
- With in-country linguists, machine translation (MT), and MT + post-editing, we have solutions to fit any requirement
- We create the opportunity to tailor a player's gaming experience
